

Open Scripture

Learn to read Scripture as a personal conversation with God

WORKSHOP

Thank you for choosing to draw closer to God through His Word.

Our face-to-face classes are offered in the Treasure Valley, Idaho, and we would love to have you join us. We also understand that attending in person may not be possible for everyone. Because of that, we have created this guide to walk you through the same steps we use in our in-person course.

Please remember, this guide is simply a framework to help you along the way. The goal is not to rush through the material, but to make space to spend time in Scripture and grow in your understanding of God. Move through this study at the pace He sets for you.

Throughout this course, we will reference the *Open Scripture Workbook*. If you have not yet purchased a copy, it is available on [Amazon](#).

To Begin

From the [Open Scripture page](#) on the [Inseparable Ministries website](#), watch the video in the **“Lies I’ve Believed”** section. This video is meant to help settle any uncertainties you may have as you begin.

You will notice that this course walks you through the opening sections of your *Open Scripture Workbook*. The remaining pages continue the same four processes in repetition, offering encouragement and structure for your ongoing conversations with God through Scripture.
