First Steps

Open Scripture

Purchase a Bible—Today!

Take it with you—Always

Hold it—just hold it in your hands, in your arms, in your heart.
Glance through it and read where your eyes settle.

Proclaim Jesus

Alone in your conversation with Him, call Jesus by His Name
when you talk to Him. Say thank you to Jesus every day.

Thank Jesus for your breath.

Thank Jesus for your life—as it is, be thankful.

Thank Jesus for forgiving your sins—every day.

Follow the Spirit

When you talk to God, sit quietly and listen.

When you read the Bible, sit quietly and listen.

Write down the “thoughts” that come to your heart during
those quiet times in prayer and reading.

Talk to God about those thoughts and sit quietly and listen.

Show up as you are

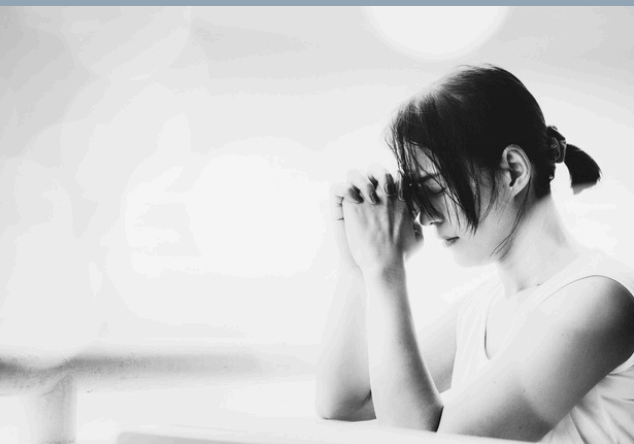

Live the life you are living now. This is where you are. Be there.

Talk the way you talk. Be who you are.

Walk the path you are walking. This is where God met you.

Continue to meet Him there.

Work with what you have. This is who God created. Watch what
God will do with what you have—simply by being you!

Remember this truth

Jesus loves you, fully! Yes, you are still a human, still alive. But God has forgiven you of yesterday and is in love with you, always. He is walking with you, desiring to grow you into the beautiful creation He created. And He has given you the Spirit of God through your belief that Jesus died and rose again for you – making you new in Him.

Fall in love with Him every day. Talk with Him with every heartbeat. Today is a new day. Ask Him for His strength, wisdom, love... and stand tall knowing that you are loved by God, forgiven by the death and resurrection of Jesus Christ, and filled with the Holy Spirit.
